# Bibliographic Publications.

For all American books as they appear, take **THE PUBLISHERS' WEEKLY**; for an hour's glance each month at the important books and magazine papers, take **LITERARY NEWS**; for library matters take **THE LIBRARY JOURNAL**; for magazine articles in general, consult **THE ANNUAL LITERARY INDEX**; for books in print or issued of late years, see **THE AMERICAN** and **ANNUAL CATALOGUES**, also, the index to the **PUBLISHERS' TRADE LIST ANNUAL** for 1902 and the Index thereto.

**THE PUBLISHERS' WEEKLY.** Established in 1872, with which was incorporated the *American Literary Gazette and Publishers' Circular* (established in 1852.) Recognized as the representative of the publishing and bookselling interests in the United States. Contains full weekly record of American publications, with monthly cumulative indexes, etc. Subscription, \$3.00 a year, postpaid; to foreign countries, postpaid, \$4.00 a year; single numbers, 10 cents, postpaid. Special Numbers: Educational Number, in leatherette, 50 cents; Christmas Number, 25 cents; the numbers containing the three, six and nine months' Cumulated Lists, 25 cents each. **THE LIBRARY JOURNAL.** Official Organ of the American Library Association. Chiefly devoted to library economy and bibliography. Established in 1876. Published monthly. Subscription, \$5.00 a year, postpaid; single numbers, 50 cents. Price to Europe, or other countries in the Union, 20s a year; single numbers, 2s. (*LITERARY NEWS is sent free to subscribers of THE LIBRARY JOURNAL.*) Teachers may be interested in the "School Number" published in the spring of each year.

**GENERAL INDEX TO THE LIBRARY JOURNAL**, vols. 1-22, 1876-1897. Arranged to serve as an index to succeeding volumes or for other sources of professional information. 4°, in sheets, or paper binding, \$2.50; A. L. A. half leather, \$3.00.

**LITERARY NEWS.** A Monthly Journal of Current Literature. Contains the freshest news concerning books and authors; lists of new publications; reviews and critical comments; characteristic extracts; sketches and anecdotes of authors; bibliographical references; prominent topics of the magazines; portraits of authors, and illustrations from the newest books, etc., etc. Subscription, \$1.00 a year, postpaid; single numbers, 10 cents.

**THE AMERICAN CATALOGUE** of books in print and for sale July 1, 1876, compiled under the direction of F. LEYFOLDT, and its supplements, 1876-84, 1884-90, 1890-95, and 1895-1900, compiled under the editorial direction of R. R. BOWKER, aims to present all the bibliographical features of the books in the American market, arranged in the first part alphabetically by both authors and titles, and in the second part alphabetically by subjects.

The Catalogue and its supplementary volumes form the only approximately complete guide in existence to the American books of the day, so arranged as to make reference easy from whatever direction the inquiry may come, whether from that of the author, or the title, or the subject. It not only furnishes the desired information about any particular book of which the consulter is in search, but shows what others there are by the same author or on the same subject in which he is interested. To the bookseller, therefore, it is valuable both in filling orders and in stimulating business; to the librarian, in supplying gaps and proportioning his collection; and to all who are practically concerned with books, in furnishing information by a convenient method.

The author-and-title volume of the 1876 volume is out of print. A limited number of the subject volume may be had in half leather binding at \$15.

The volumes covering the periods 1876-84 and 1884-90 are also out of print.

—, 1890-95, 4°, hf. mor., \$15.

—, 1895-1900, 4°, hf. mor., \$15.

**THE ANNUAL AMERICAN CATALOGUE**, Cumulated, containing yearly the monthly lists in **THE PUBLISHERS' WEEKLY**, cumulated, giving in one alphabet, by author, title, and subject, information of the books issued during the years covered by the latest volume. It also contains a directory of publishers with full street addresses. The current volume covering 1900 to 1902, inclusive. 8vo, cloth, net, \$3.00.

**THE PUBLISHERS' TRADE LIST ANNUAL.** Contains: The latest catalogues of upwards of 200 American publishers, contributed by themselves and arranged alphabetically by the firm-names and smaller lists at the end of the volume. These lists, all bound in one volume arranged alphabetically for ready reference, with marginal index, guiding the finger at once to the right letter, present in their combination so convenient and time-saving a working-tool as to make it indispensable to every one who has any interest in the purchase or sale of books. **INDEX TO THE PUBLISHERS' TRADE LIST ANNUAL, 1902**, contains an index, by author, title and subject catchword to the lists of the 246 publishers represented in the Catalogue volume of the **PUBLISHERS' TRADE LIST ANNUAL** for 1902, furnishing by means of 140,000 entries, ready reference to the books of the leading publishers in print July 1, 1902, and to forthcoming books of which they could furnish information in August of that year. 1 v., 8°, cl., net, \$5.00.

**THE ANNUAL LITERARY INDEX**, including Periodicals, American and English; Essays, Book-Chapters, etc. with Author-Index, Bibliographies, Nomenclology and Index to Dates of Principal Events. **THE AMERICAN EDUCATIONAL CATALOGUE.** Contains a price-list of all the text-books in use in the United States, arranged alphabetically by author's or editor's name, and a detailed subject-index, referring from each specific subject to authors of books on that subject. 8vo, leatherette, 50 cents.
